Wearing A Mask At Lou MacNarin School

I am a student at Lou MacNarin School. This school year, I will need to wear a mask at school.

I might not like wearing the mask, but I will wear the mask to keep myself and others safe.

My teacher will remind me to wear my mask if I forget to do so.

I will wear a mask just like my friends. Wearing a mask helps to keep us healthy by preventing the spread of invisible germs.

I am a part of the Lou MacNarin School Family and I wear a mask at school. Like my teachers, I will get use to wearing a mask at school. I will do my best to be healthy, happy, and safe.

Wearing a mask is an A choice.   I can do it! I can wear my mask everywhere in school. Can you where your mask in school too? Be safe and wear your mask at school.
